How can the past touch and change the present? Amy's dying grandmother tells her a story that does just that. Alone and desperate, Amy sets out on a personal voyage of discovery to help her troubled family.

Recently, I worked with the University of Lincoln Illustration Department final year students competing for a cover design. The book, by Catherine Cowell, is "Three for a Girl, Four for a Boy", published in July. A big thank you to all the students who submitted their brilliant artwork.
